QUOTE

Ordinary People

"There is a tacit as-
sumption by most people
that impossible things
in life are accomplished
by men other than them-
selves as if there were
a race of superior men on
earth. The fact is that
the important things are
done by ordinary people.
There is no use waiting
for someone with "Superior
qualifications" to do the
job. Just pitch in and
do it.—Reginald H. Smith

After much work and consideration, the nominating committee under the Chairmanship of Walter Wright is pleased to present the following slate of officers for the year May 1956 - May 1957:

President	Robert Statter Arthur Herron
1st Vice-Pres.....	Martha Littman Paul Strickler
2nd Vice-Pres.....	Joseph Kay Helen Feil
Treasurer	Ick Fulton Marie Van Wagner
Recording Secretary	Hilda Faucett Mrs. P. Clore
Corresponding Secretary	Pat Mishkin Kaye Marenberg
Directors	Champ Carter Martha Littman David Fields Manning Kennedy
Delegates	Walter Wright John Watson Champ Carter Charlie Simpson Walter Chism William Heneghan
Alternate Delegates	Jim Ott John Worth Bob Driver Lois Whittley James Ryan Ann Newcome

Since so many of the people are new to this area and to each other, the nominating committee felt it would be of help and interest to the members to know a little bit about each of the first 12 nominees. With this in mind, brief resumes of the persons running for the first 6 offices have been prepared. And here they are:

Mr. Robert Statter: Born in Charollette, N. C., Graduated from University of Pennsylvania, Wharton School of Finance and Commerce. B.S. in Economics. M.A. from Princeton. Major U.S. Marine Corp. Reserve. Wife's name Dorothy and has two children, both girls. Came to this area October, 1956. Personnel manager of Vitro Corp. of America.

Mr. Arthur Herron: Is active in mental health work in the state of Maryland. Was in the Sheriff's Office, Prince Georges' County. Headed Boys' club in Oxon Hill and was active in P.T.A. in that community. Moved to Franklin Park from Oxon Hill in November, 1955. Has three children, 14, 11, 6.

Mrs. Martha Litman: Active in community affairs of Randolph area. Until recently when she returned to work, Mrs. Litman was leader of Brownie troop. Is at present, 1st. Vice-President of Randolph Civic Association. Was both recording secretary and corresponding secretary of the Association the previous year. Was Room-Mother of 3rd grade. Moved into Randolph Hills October, 1954 from S.E. Washington. Born in Brooklyn, N.Y. Has three children aged, 14, 9 and 5.

Mr. Paul Strickler: At present, President of the Lions Club. He is a veteran (Navy). Graduated from the University of Maryland, 1951. Moved to this area about two years ago. Was born in Miami, Florida. His wife's name is Corinne and they have three children aged, 9, 6 and 2½.

Mr. Joseph Kay: Major Air Force Reserve. Now with Bureau of Ordinance. Technologist. Attended George Washington University and American University and has a B.S. in Science. Is from New York City and has lived in D. C. since 1939. Moved here November, 1955. Has 2 boys and 1 girl.

Helen Feil: Housewife, (jack of all trades master of none). Mother of three loveable males but nevertheless rascals at best, namely Charles III, Douglas and Jeffrey. 'Wiffet' is our dog, male, thinks I'm quite wonderful, reason, I am the only one that feeds him regularly. Charles Jr., (met him at a riding stable, mutual love of horses, husband and father of the above brood is a wonderful person, wouldn't trade him for all the tea in China, faults and all, unfortunately his work puts such demands on him that he cannot participate in civic or community activities as he would like to, so---o Motner Feil has taken over the reins in this particular realm. At the moment, Cub Scouting heads the list of busy activities. "The Echo" is quite of pet of mine. I do enjoy putting it together. Hobbies - Piano, studied it for 7 years (diligently too) but can't play a decent tune, love it though. Have an unsatiated passion for Polo, attend as many matches as possible during the Polo season. Oh, those horses. Little Theatre Group, member of the Rockville Little Theatre Group. And, last but not least, I love my home, including the monotonous, ever present routine of everyday's necessities. I enjoy the decorating and the paint puttering that I am privileged to indulge without restraint. Gardening, flowers mainly I like to take care of. I am no green thumb at it, but do fairly well in the amateur status.

Dick Fulton: Graduated from the U. of Maryland with a B.S. in Biology in 1955. Now working for A.H. Robbin. Was in the Navy. Born in Virginia and has lived in D.C. area for about 20 years. Moved to Randolph Hills January, 1957. His wife's name is Jane and they have three children.

Hilda Faucett: Housewife who keeps busy tending to the needs of four children, 2 boys and 2 girls, and to her home. Has interested herself actively in community affairs since moving to Franklin Park in May, 1956.

Mrs. P. Clore: Recording Secretary of the Randolph Civic Association 2 years ago. Housewife and a busy one, what with a brand new baby boy in the household. Moved to this area in August, 1954.

Mrs. Mortimer Mishkin: Housewife who must find the day very short of hours since she has to see that her four girls, ages, 14, 12, 7 and 3 are happy and well taken care of...To say nothing of the house that must be kept in some reasonable order. Moved to Franklin Park in May, 1956 from Rockville, Md. Prior to that came from Hartford, Conn.

Mrs. Wm. Marenberg: Corresponding Secretary of Rockinghorse School P.T.A. Present Chairman of the Recreation Committee of the Civic Association. Has two children aged, 9½ and 2½. Moved to Franklin Park in October, 1955 from Forest Glen, Md. and has been very active and helpful in community affairs ever since.

Mrs. Marie Van Wagner: Prior to marriage, employed by IBM. One year at U. of Md. Two children, ages 5 and 2½, both girls. Moved to this area in May, 1956.
